COMMENCEMENT

Reflect, if you will, on the word Commencement. Not only does it mean a celebration of four successful years, but also a "beginning of graduation life." Actually, at your High School Commencement you are just starting to assume life's major responsibilities. The diploma you receive is not only a reward, but a passport to this future responsibility. American Optical Company congratulates you on your "Commencement." Our best wishes go with you as you assume new duties and obligations that will further mold you into a successful American Citizen.

Congratulations!
